

**John Staples Clinic**  
**April 18 and 19**  
**CanterBrooke Equestrian Center**  
**Ames, IA**

John Staples is well known to Eventers in Area IV and V. He has competed through the Advance Level including a 5th place finish at Rolex CCI\*\*\* in 1987. He was also selected to be an alternate for the 1988 Olympic Team and long listed for the 1992 and 1996 teams. John has earned his Level III Instructors Certification from the USEA and coaches riders from Beginner Novice through Intermediate levels.

John's training focuses on establishing rhythm, relaxation and straightness to develop a horse who is responsive to the aids, adjustable, balanced and confident. He uses these principles of dressage in all phases of developing the event horse.

The clinic will be held in a two day format that focuses on cross country (weather permitting) one day and stadium/grid work the other day. John will work on teaching proper galloping techniques and how to handle cross country fences at different speeds including jumping out of the gallop.

Limited private flat lessons available as well as evening ride times.

Cost of the clinic: \$170 per horse/rider combination

Private dressage lesson (limited availability) \$85

Limited Stabling available.
